Feature 2:

A. When a FF is booked, we need a line added to the assignment sheet that is printed off when a Friday Fest is scheduled by the teacher....We need the following language below the Parent-Confirmation Signature: (we want it to look/feel like this below on the assignment sheet)

Pending

A. Parent Signature Confirmation of Friday Fest
ONCE A FF DATE IS CONFIRMED, THAT SLOT IS HELD FOR YOUR STUDENT...IF YOU DO NOT ATTEND THE FF THAT YOU CONFIRM PLEASE UNDERSTAND THAT YOU WILL STILL INCUR THE FF CHARGE FOR THAT EVENT. IF THE FF DATE IS NOT CONFIRMED, THEN WE WILL REMOVE THE STUDENT FROM THAT DATE SO THAT WE CAN GIVE THAT SLOT TO ANOTHER STUDENT

B. MY STUDENT CANNOT MAKE THE PROPOSED FF DATE ABOVE
Please write in two other dates that your student CAN perform- (preferably within a few weeks of the initial date proposed) Date 1 _____ Date 2 _____

STEP 2 EINSTEIN HOLDS THAT “PENDING” SPOT FOR THE STUDENT (as one of the 13 spots)

We need the spot to be held in-between the time that the teacher books the student and the student's next lesson. When the student comes back at their next lesson - they will have 1 of 3 things on their assignment sheet:

STEP 3 At the next lesson - the student comes back with one of three things on their assignment sheet, and the teacher needs to update the assignment sheet based upon any of those scenarios:

Option 1. No Signature or other dates proposed on the assignment sheet (aka Nothing has been updated by student/parent)

In which case the teacher needs to be able to remove the student from that FF date (on the assignment sheet) and Einstein immediately makes that spot available for another student.

Option 2. The parent has confirmed that this date will work - in which case the teacher needs to be able to change the status from “pending to confirmed” on the assignment sheet - and future assignment sheets (until the FF date has passed) will show the following below:

The screenshot shows a web form titled "Upcoming FF Pieces:". It contains two columns of input fields. The first column has three rows: "1. SONG 1" with a "0 sec" dropdown, "3." with an empty text box, and another "0 sec" dropdown. The second column has two rows: "2. SONG 2" with a "0 sec" dropdown, and "FF Date" with the value "02/17/2017". Below the "FF Date" field is a blue button labeled "Show FF Details". To the right of these fields is a green button labeled "CONFIRMED". Below the form, a message states: "This FF Date has been confirmed by the Parent."

Option 3. The parent has proposed other dates - and the teacher picks one of those dates (based upon availability) that the parent wrote in...then the “pending” status with the signature line goes again - and we return to Step 2 again.
