A. Parent Signature Confirmation of Friday Fest _____

ONCE CONFIRMED, THAT SLOT IS HELD FOR YOUR STUDENT...IF YOU DO NOT ATTEND THE FF THAT YOU CONFIRM PLEASE
UNDERSTAND THAT YOU WILL STILL INCUR THE FF CHARGE FOR THAT EVENT. IF THE FF DATE IS NOT CONFIRMED, THEN WE WILL REMOVE
THE CHARGE AND WE CAN GIVE THAT SLOT TO ANOTHER STUDENT.

B. MAKE THE PROPOSED FF DATE ABOVE.

Please provide dates that your student CAN perform- (preferably within a few weeks of the initial date proposed) Date 1 _____

Date

This section **only**
appears ONCE a
teacher has placed
a proposed FF date
on the assignment
sheet.

Step 2 - at the next lesson the teacher sees the assignment sheet and then does one of three things:

1. The teacher sees that the parent confirmed - and then the teacher selects “confirmed” on the assignment sheet. (Then the parent signature part disappears from the assignment sheet (once the teacher selects “confirmed”
2. The teacher sees that the parent has proposed another date - so the teacher changes the FF date to the date that the parent has written in - and then selects “confirmed” on this new date. Once that is confirmed - again - the parent signature portion would disappear from the assignment sheet. Or
3. The teacher sees that the parent did not fill out anything and then the teacher either leaves the date as-is, or places another date on the FF - **and the parent signature portion would remain on the assignment sheet....**
4. Basically - the teacher selecting a FF date is the prompt to **add the parent signature portion below.** and the teacher selecting “**Confirmed**” is the prompt to remove that from the assignment sheet again.

This parent signature portion of the assignment sheet does not stay on here permanently - it is added when a FF date is added by a teacher, and then “drops-off” the assignment sheet once the teacher has selected “confirmed”
